Ingredients

- 3 tablespoons salsa verde, such as Frontera brand
- 1 tablespoon plus 1 tsp. extra-virgin olive oil, divided
- 2 tablespoons chopped cilantro, plus more for garnish
- 2 cups mesclun or other salad greens
- 8 blue corn tortilla chips, broken into large pieces
- ½ cup canned red kidney beans, rinsed
- ¼ avocado, sliced
- 1 large egg

Directions

Step 1

Whisk salsa, 1 Tbsp. oil, and cilantro in a small bowl. Toss half the mixture with mesclun (or other greens) in a shallow dinner bowl.

Step 2

Layer chips, beans, and avocado atop the salad.

Step 3

Heat the remaining 1 tsp. oil in a small nonstick skillet over medium-high heat. Add egg and fry until the white is completely cooked but the yolk is still slightly runny, about 2 minutes.

Step 4

Serve the egg on the salad. Drizzle with the remaining salsa vinaigrette and sprinkle with additional cilantro, if desired.
