

Chicken Fajita Soup

This chicken fajita soup combines the vibrant, smoky flavors of traditional fajitas with the comforting warmth of a soup. This versatile dish is perfect for a cozy dinner, and can be easily adjusted to suit your preferences. To kick up the heat, add a chopped jalapeño to the veggie mixture. You can swap out the rotisserie chicken for another protein like leftover steak, or make it vegetarian by using no-chicken broth and subbing tofu in place of the chicken.

- 1½ tablespoons minced garlic
- 2½ teaspoons chili powder
- 1½ teaspoons ground cumin
- 1 teaspoon smoked paprika
- ½ teaspoon dried oregano
- ½ teaspoon salt
- 4 cups reduced-sodium chicken broth
- 2 (14.5-ounce) cans fire-roasted diced tomatoes, undrained
- 1 (15-ounce) can no-salt-added black beans, rinsed
- ⅓ cup chopped fresh cilantro
- 2 tablespoons lime juice

2 cups shredded rotisserie chicken

3 tablespoons reduced-fat sour cream

6 tablespoons tricolor tortilla strips

1 avocado, sliced

Directions

Step 1

Heat 1 tablespoon oil in a large pot over medium heat. Add 1 cup each onion, red bell pepper and yellow bell pepper; cook, stirring occasionally, until softened, about 5 minutes. Add 1½ tablespoons garlic, 2½ teaspoons chili powder, 1½ teaspoons cumin, 1 teaspoon paprika and ½ teaspoon each oregano and salt; continue cooking, stirring constantly, until fragrant, 1 to 2 minutes.

Step 2

Stir in 4 cups broth, 2 cans undrained tomatoes, 1 can rinsed black beans, ⅓ cup cilantro and 2 tablespoons lime juice; reduce heat to medium-low and simmer, uncovered and stirring occasionally, until the flavors meld, about 20 minutes. Stir in 2 cups shredded chicken; simmer, undisturbed, for 5 minutes.

Step 3

Ladle the soup into 6 bowls. Divide 3 tablespoons sour cream, 6 tablespoons tortilla strips and avocado slices among the bowls before serving.

Frequently Asked Questions

Can I make this soup vegetarian?

Absolutely. In addition to using no-chicken broth and subbing tofu in place of the chicken, you can add in an extra can of beans or some chopped sweet potato.

What should I serve with chicken fajita soup?

This soup is a complete meal, with an ample serving of chicken and vegetables, but if you want side dishes, add a leafy green salad and a skillet cornbread. If you're serving guests, a basket of warm tortilla chips along with guacamole will go over well.

Can I make chicken fajita soup ahead?

Absolutely. The best part about chicken fajita soup is that it tastes even better the longer it sits, so make a big batch and eat it throughout the week. Refrigerate leftovers in an airtight container for up to 5 days.
