Ingredients

- 1 pound chicken cutlets
- ¼ teaspoon salt, divided
- ¼ teaspoon ground pepper, divided
- 2 tablespoons extra-virgin olive oil, divided
- 2 ears corn, kernels cut from the cob
- 1 large tomato, chopped
- 1 large clove garlic, grated
- ½ cup dry white wine
- ½ cup sour cream
- ¼ cup chopped fresh basil
- Snipped fresh chives for garnish

Directions

Step 1

Sprinkle chicken with 1/8 teaspoon each salt and pepper. Heat 1 tablespoon oil in a large skillet over medium-high heat. Add the chicken and cook, turning once, until cooked through, 5 to 7 minutes. Transfer to a plate.

Step 2

Add the remaining 1 tablespoon oil, corn kernels, tomato and garlic to the pan. Cook, stirring, until the tomatoes start breaking down, about 2 minutes. Increase heat to high and add wine. Cook, scraping up any browned bits, until the liquid is mostly evaporated, about 2 minutes. Reduce heat to medium and stir in sour cream, any accumulated chicken juices and the remaining 1/8 teaspoon each salt and pepper; simmer, stirring, for 2 minutes. Return the chicken to the pan along with the basil; turn to coat. Serve the chicken topped with the sauce. Garnish with chives, if desired.
