

Dill Pickle Crispy Chickpeas Will Be Your Go-To High-Fiber Snack

These dill pickle–inspired crispy chickpeas are a tangy, crunchy snack that’s easy to make with a few pantry staples. A quick toss in pickle juice and vinegar infuses the chickpeas with bold flavor before roasting, while a sprinkle of dill and savory spices adds that classic pickle taste.

Ingredients

2 (15-ounce) cans no-salt-added chickpeas, rinsed

2½ tablespoons dill pickle brine

1 tablespoon distilled white vinegar

1 tablespoon extra-virgin olive oil

½ teaspoon salt

1½ teaspoons dried dill

¾ teaspoon garlic powder

¾ teaspoon onion powder

Finely chopped fresh dill for garnish (optional)

Directions

Step 1

Preheat oven to 400°F. Place a large rimmed baking sheet on the upper rack to preheat. Spread the rinsed chickpeas on a clean kitchen towel or paper towels; gently rub to dry them and loosen the skins. Discard any loose skins.

Step 2

Transfer the chickpeas to a large bowl. Add 2½ tablespoons pickle brine, 1 tablespoon vinegar, 1 tablespoon oil and ½ teaspoon salt; toss to coat. Carefully spread the chickpeas in an even layer on the hot baking sheet. Roast, stirring once halfway through, until crispy and golden, 35 to 40 minutes.

Step 3

Combine 1½ teaspoons dried dill, ¾ teaspoon garlic powder and ¾ teaspoon onion powder in a small bowl. Sprinkle the seasoning over the hot chickpeas and toss to coat. Let cool completely, about 10 minutes. Garnish with fresh dill before serving, if desired.

To make ahead

Store in an airtight container at room temperature for up to 3 days.
