Ingredients

3 medium scallions

⅓ cup whole-milk plain strained (Greek-style) yogurt

⅓ cup crumbled feta cheese

1 medium clove garlic, grated

2 tablespoons chopped fresh mint, divided, plus more for garnish

1 teaspoon grated lemon zest

1 tablespoon lemon juice

2 cups thawed frozen peas

1 large egg, lightly beaten

½ cup all-purpose flour

2 tablespoons cornstarch

½ teaspoon ground pepper

¼ teaspoon plus ⅛ teaspoon salt

2 tablespoons extra-virgin olive oil, divided

Directions

Step 1

Separate white and light green parts of 3 scallions from dark green parts. Thinly slice both parts separately.

Step 2

Combine the dark green scallion parts, $\frac{1}{3}$ cup yogurt, $\frac{1}{3}$ cup feta, the grated garlic, 1 tablespoon mint and 1 tablespoon lemon juice in a medium bowl; whisk well. Set aside for serving.

Step 3

Place 2 cups peas in another medium bowl; mash with a fork until coarsely crushed. Add beaten egg, $\frac{1}{2}$ cup flour, 2 tablespoons cornstarch, $\frac{1}{2}$ teaspoon pepper, $\frac{1}{4}$ teaspoon plus $\frac{1}{8}$ teaspoon salt, the sliced white and light green scallion parts, 1 teaspoon lemon zest and the remaining 1 tablespoon mint; stir until a thick batter forms.

Step 4

Heat 1 tablespoon oil in a large nonstick skillet over medium heat. Working in batches, add 8 heaping tablespoonfuls of the batter to the skillet. Gently spread and flatten each mound using a fork. Cook undisturbed until golden brown on the bottom, 3 to 4 minutes. Flip and cook until the other side is golden, about 2 minutes more. Transfer the pea cakes to a wire rack. Repeat with the remaining 1 tablespoon oil and the remaining batter.

Step 5

Spoon the feta sauce over 4 plates (about 2 tablespoons each). Top with the pea cakes (4 per serving). Garnish with additional mint, if desired.

Frequently Asked Questions

Why are my cakes falling apart?

Be sure the peas are mashed to hold together. Undermashing or flipping the cakes too soon can lead to them falling apart.

What can I use in place of the mint?

Dill, parsley or any other tender fresh herb can make a lovely substitute.

What can I serve with these cakes?

These patties pair beautifully with salmon, roasted chicken or roasted vegetables. You can also serve them as part of an appetizer spread.
