Frequently Asked Questions

Can I use regular yogurt instead of Greek?

You can, but it's the Greek yogurt that provides that desirable thick and creamy texture.

What else can I do with dried dates?

Chop up some dates and add them to your oatmeal, muesli, green salads, fruit salads and rice. Try a stuffed dates recipe that tastes like a Snickers chocolate bar. You can also make a date syrup to pour over pancakes and waffles. We frequently incorporate dates into our favorite recipes, including Peanut Butter–Oat Energy Balls, Goat Cheese–Stuffed Bacon–Wrapped Dates, 3–Ingredient Chocolate & Almond Butter Dates, Date–Nut Bread and more.
