

White Bean Enchilada Skillet

This skillet recipe takes inspiration from classic enchiladas, featuring veggies, tortillas, white beans and a cheesy topping. Instead of rolling up the filling, the tortillas are baked right into the skillet for the perfect weeknight dinner. We love tangy green enchilada sauce here, but feel free to swap it out for red sauce if you prefer.

Ingredients

- 2 tablespoons extra-virgin olive oil
- 2 poblano peppers, sliced (about 2 cups)
- 1 small yellow onion, chopped (about 1 cup)
- 1 cup fresh *or* thawed frozen corn kernels
- 4 cloves garlic, minced (1½ tablespoons)
- 1½ teaspoons smoked paprika
- ½ teaspoon ground coriander
- ¼ teaspoon ground cumin
- ¼ teaspoon salt
- 1 (15-ounce) can no-salt-added cannellini beans, rinsed
- 1 (15-ounce) can green enchilada sauce
- 6 (6-inch) yellow corn tortillas, cut into 1-inch-thick strips
- 1 cup shredded extra-sharp white Cheddar cheese
- 2 tablespoons thinly sliced radishes
- 2 tablespoons cilantro leaves
- 1 tablespoon pickled jalapeño slices (optional)

⅓ cup sour cream

Directions

Step 1

Preheat oven to broil with rack 5 inches from heat source. Heat 2 tablespoons oil in a 10-inch broiler-safe skillet over medium heat. Add sliced poblano, chopped onion and 1 cup corn; cook, stirring occasionally, until softened, about 10 minutes. Add minced garlic; cook, stirring constantly, until fragrant, about 1 minute. Remove from heat.

Step 2

Stir in 1½ teaspoons smoked paprika, ½ teaspoon coriander, ¼ teaspoon each cumin and salt, the rinsed beans and 1 (15-ounce) can enchilada sauce. Fold in tortilla strips until evenly combined; sprinkle with 1 cup Cheddar. Broil until the cheese is melted, about 3 minutes.

Step 3

Top with 2 tablespoons each radishes and cilantro and 1 tablespoon pickled jalapeños, if desired. Serve dolloped with ⅓ cup sour cream.

Frequently Asked Questions

How should I store and reheat leftovers?

Transfer leftovers to an airtight container once they have completely cooled. They can be stored in the refrigerator for up to 1 day. While the texture may soften slightly, reheating them in the microwave can make this change almost unnoticeable.

Can I substitute the cannellini beans with another bean?

You can use any type of canned bean or a combination of different types—such as black beans, great northern beans, pinto beans or kidney beans.

What should I serve with White Bean Enchilada Skillet?

Any type of rice-like dish or leafy green salad would pair wonderfully; try our Easy Cilantro-Lime Rice, Cauliflower Rice Pilaf, Basic Green Salad with Vinaigrette or Herb & Arugula Salad with Balsamic Vinaigrette.
